## QUANTITY DISCOUNT

WHEREVER possible, on orders of sufficient volume of well balanced assortments, we will allow a special discount based upon the materials wanted and size of order. Send in your list of total requirements and we will give you our best figure.

## QUALITY

WE ARE pleased to be able to announce that Princeton Quality remains the same. Our stock has not suffered through lack of care during the depression. We have transplanted, trimmed, and cultivated to insure the quality stock that will give you the best results in your landscape projects and insure satisfaction with your clients. Our equipment and personnel have been fully maintained, even improved, so that the service we are able to offer is better than ever before.

If there is any way in which we can be of help to you either in supplying complete lists, locating unusual material, providing planting supervision or other services, do not hesitate to let us know and we will gladly cooperate to the best of our ability.

Your patronage and cooperation is earnestly solicited.
